WKC Masters Trophy

Eligibility: Any driver aged 50 or over, or turning 50 at any point during the championship year.
Points: Points scored in any WKC championship class count towards the trophy.
One class per event: If a driver races in more than one class at an event, only the highest-scoring class at that event counts. The points from other classes at that event are not added.
Scoring: Points are scored as per club championship rules. All rounds count.
Award: The trophy goes to the eligible driver with the highest Masters total at the end of the season.
Tie break: Same as other class championships

<u>** Woodthorpe kart club regulations can be subject to change or possible alteration where necessary throughout the season to keep up to date with current rule changes.</u>
